

Message from Lt. Governor Joy Nishida

Happy December Division 22 Kiwanis Ohana!

First of all, I'd like to thank Immediate Past Lt. Governor Joel Tabangcura for his steadfast leadership that has paved the way for Hawaii Kiwanis to continue our work in the community alongside

our sponsored service leadership programs even in the midst of a pandemic. While I have not been able to continue his tradition of singing the Kiwanis Fight Song at Division Council Meetings, his term continues to serve as inspiration for me and my Division team as we begin to traverse this new Kiwanis year.

I would like to thank the following clubs that have invited and allowed me to make my official board or general meeting visitations: Alakai Young Professionals, East Hawaii, Honolulu, Kailua-Kona, Kaneohe, Pearl Harbor and The Valley Isle. I look forward to seeing the rest of the clubs very soon!

2020-21 Cal-Nev-Ha Children's Fund Drive

This year, all donations made at my Division Council Meetings (whether in general or for Happy Sad Dollar contributions) will go towards awarding either a Distinguished or Community or Youth Service Award (\$200) or Dunlap Award (\$1000) from our Division at years end. Thanks to the generous contributions made during our October and November Division Meetings, we are already at \$175! Thank you all for giving so much even during these tough times!

December Charity: Kapiolani Medical Center's Santa's Workshop

All donations at the [December Division Council Meeting](#) will go towards donating gift cards (iTunes, Google Play, Amazon, etc.) for [KMC's Santa's Workshop](#). There is often not enough gifts for teens and parents (as most donated toys are for younger children) so we hope to help fill that void a little this year. All monetary or gift card donations are welcomed by 12/19.

Kiwaniis Club of East Hawaii RIBBON LEIS: *(Pulled from Nov 2020 newsletter)*
The club approved money to support the lei project which Waiakea Key Club needed to support their virtual project with the elderly/ rehabilitation centers. The request for leis as awards for residence participation in daily living. Audrey went and bought assorted colors and made these leis and had some help from her daughter in law Chris. Audrey said when pairing the colors, it seems unlikely to be attractive, but after weaving the colors together, as you can see in the photo above, they ended very attractive. There is only a few more to go, and Audrey told Kari that it will be all done hopefully before Thanksgiving. Till today, she made 140 leis by herself and a few more to come.

The SLP is also doing many projects, including the face mask and no sew blankets and they will donate them to Kiwanis Family House, from the Opihi's, Makai Key Clubbers, Kauai, Maui, and Big Island. They were fortunate that Governor Pete and Jeanette Edwards is on a trip to Kona and Audrey will be visiting them on the 14, 15, and Jeanette is a board member of the Kiwanis Family House and will take it back to them.. wow free postage.

AYP's "McStallation"

Recently AYP like many other clubs found a way to run their installation with a McDonald's theme. This is one idea that seems to resonate with clubs is to run a theme to engage the members and put a smile on each others faces. Whether you're club is build with foodies, or you want to show off you photogenic pet, they are sure to be a talking point for you members who may not have been able to see each other.

Kiwanis Club of Pearl Harbor

On Thanksgiving Day, Pearl Harbor Kiwanians Jodie, Judy, and Kay delivered meals for the St Francis Kupuna Meal Program. Pauline Hirohata from the Honolulu Kiwanis asked for volunteers. As I delivered each meal, the recipients were surprised and thankful to receive the Thanksgiving meal, complete with a slice of pumpkin pie! The recipients remarked they did not know they were receiving a meal delivery on Thanksgiving but again they were so grateful for the meal. Delivering the meals reminded me to be thankful for all I have in my life. I am thankful for my health, my family, my friends, my job, my pets, the roof over my head, the food on my table, and for my life. We were happy to be able to provide this service in a time of need. #kupunaneedkiwanis

On November 14, Kathryn and Kay volunteered for the FOOD distribution at

Pearlridge Mall. This drive through food distribution was sponsored by Aloha Harvest. Some 400 families registered for a box of food which included ground beef and eggs! This distribution focused on the families living in Pearl City, Aiea and Halawa that were affected by the impact of COVID 19. Six pick up points were identified and there was a steady flow of cars from 8:30a-11:00p.

Kiwanis Club of Alaka'i Young Professionals

11/11 - Providing dinner to 4 family promise families staying at their location.

11/26-29 - Virtual club turkey trot using Charity Miles to walk off some of Thanksgiving's bounty.

11/28 - Giving thanks online talk story social.

AYP ran virtual turkey trot for their club during the Thanksgiving weekend using a mobile app called Charity Miles. The app itself will record how far you walk or run or bike everyday. If you have selected a participating charity, the app will automatically credit that charity with your miles. AYP has organized the four O'ahu Kiwanis club in a competition to promote the purchasing of awards to align with the goals of our current Lt Governor Joy. The idea is we will generally be looking at the average mileages of those that participate between Christmas and New Years to figure out the winner, First place will pay \$25, Second place will pay \$50, Third Place will pay \$75 and Fourth place will pay \$100. 'What are we doing with this money?' The first 200 dollars will go towards the purchase of a Distinguished Service Award or Community Service Awards in the name of the winning club. The remaining \$50 will be credited to the runner up club to go towards the purchase of their own award. With the coffers running little low time to encourage your club to participate to reap the benefits. Happy Trails

Kiwaniis Club of the Valley Isle. . .a Virtual Christmas Party!

Kiwaniis Club of the Valley Isle had their special treats and games delivered by Rudolph the Red-bowed Bag. It was a festive evening of games, bento, secret Santa, laughter, and fun, fun, fun! We Zoomed into a virtual Christmas celebration. Even our very own LTG Joy Nishida was able to join us all the way from Oahu. A virtual competition of having the best Christmas scenery / background was amazing and it was so much fun guessing who our secret Santa was! This season was not going to stop us from seeing each other without masks and keeping Christmas. . .merry and bright. From our K-family to yours. . .wishing you all a blessed and safe Holiday Season! Merry Christmas and a Merrier 2021.

Kiwaniis Club of Kaneohe

In the midst of the COVID-19 pandemic, the Kaneohe K-Family has remained safe and as active as possible. We take pride in our Service Leadership Program students who have led the way with innovative projects to support frontline essential workers, like card writing for nurses, and Senior care home residents, and care and Senior care home residents, and care packages for teachers. Our SLP students are also supporting their school communities by conducting campus beautification and classroom cleaning on a weekly basis. Their involvement with Charity Miles, Free Rice, and UNICEF Math continue to show their dedication to their homes, schools, and community.

Our Kiwanis Club also has remained active, meeting via zoom monthly, and engaging in various projects around our community. On November 7, our club helped to landscape and clean the Windward War Memorial, located at Castle Junction, and have since be offered stewardship of the maintenance of the memorial, dedicated to all Servicemembers from the Windward side who died in the service of our country. Additionally, in partnership with Adventist Health/Castle Medical Center and the Hawaii Foodbank, our club has participated in the Waimanalo Food Distribution, which takes place on the 1st and 3rd Mondays of every month. This project offers boxes of fresh produce, meats and non-perishables for Waimanalo area families.

Earlier, in late October, our club, with the assistance of Times Supermarket Pharmacy, and the Windward Legislative Team and our own State Representative and Kiwanis Member Lisa Kitagawa, helped with the Windward Flu Shot Clinic on October 24, at Windward Community College. This clinic administered flu shots to over 100 residents.

Now is as good as time as ever to think about how market ourselves. To the left is a tri-fold brochure for the Kiwanis Club of Honolulu created by past Lt. Gov. Lynn Araki-Regan. It is designed to be a printed front and back with the title cover on the bottom right. When opened it focuses on the 5 W's we learned as kids, and also highlights some of the projects that the Honolulu club really enjoys year after year. Most importantly she has the new membership application built into the brochure so that it can be filled out when we are most relevant, before our impact has begun to fade.

If any clubs are interested in getting assistance from Lynn Araki-Regan for designing their own club brochures, contact Lynn at arakiregan@gmail.com.
