## Women's History Month (March)

Joint service project 3/17 with WHS Key Club theme was Women History Month, an annual declared month that highlights the contributions of women to events in history and contemporary society. This project was led by current K-Family Relations Chair Reiko and incoming K-Family Relations Chair Julene. These projects allow us to get to know our SLP members, share stories and understand what's important in their lives, as well as learn new tools. They introduced and showed us how to use *Canva*, an online graphic design tool. Examples can be seen at:

## Service to Justice

Our **Kiwaniis dolls** were donated along with children's books from the CNH Red, White & Brews fundraiser. This month's recipient of the dolls and books was the Children's Justice Center on Oahu. This is the state's largest center, serving 1,100 children each year ranging in age from 2 to 18. Their goal is to make sure our keiki can move forward in life free from harm. They exist so that every child victim of violence or abuse has equal access to holistic resources and treatment. We are glad to support CJC and the keiki they serve.

## Service Fighting Hunger

On March 25th Kiwanis Club of Pearl Harbor participated in **Food Distribution at The Salvation Army Kroc Center**. Some 576 families served from 10:00 am to 11:30 am. Produce, meat, dairy, eggs and blessings were distributed through a drive-thru. Very well organized. More than 17,000 eggs were given out. Another volunteer was Julie, former Aiea Key Club President. It was great to see a former Key Clubber continue the commitment to giving back to the community! The next food drive-thru will be Friday, April 30. The next food distribution will be on Friday, April 30 at the Kroc Center.

## Welcoming the new

Kiwaniis Club of East Hawaii had a member induction back in February. Shown is Emerald Kalei (upper left), Edwin Kagawa (upper right), Casey Nakatsu (lower left), and Darian Takase (lower right). For all clubs I wish to make one more special edition at the end of term to highlight our new members. Simple questions to consider are things like "why did we join?" and "Kiwnains memory thus far" (or better questions if the Div team can save a math teacher from writing LOL)

Hello Division 22!

As this is my last message in the newsletter, I wanted to thank you all for a great term. Hi Hikina,

With the term just starting, I'm so excited to be working with all of you. As an incoming Ltg. I have so much to learn from our Kiwanis family and hope to continue with the positive relationship we've built. I hope to continue to support our K-Family just like you have supported my IP Jennifer and I! Please don't hesitate to contact me if you have any questions, comments, or concerns at my email [d22h.ltg@cnhkeyclub.org](mailto:d22h.ltg@cnhkeyclub.org)! I look forward to serving our division together!

Key Club International

Hello everyone! As my time in high school and Key Club comes to an end, I want to extend my gratitude towards all of you. Without all of you, my time in Key Club would not have been as memorable as it was. From all the endless jokes and laughter, I am so thankful and appreciative of all the times you have supported my fellow Key Clubbers and me. Though you all may have been busy at times, you never failed to step in to lend a helping hand or place a smile on my face! Each of you has helped me grow from a shy Freshmen to the person I am today, and you all continue to inspire me to be a servant leader for my home, school, and community. Thank you all so much for all that you do, and I can't wait to join Kiwanis one day!

Thank you,

**Spreading aloha through service,

Aloha to all Kiwanis!

As a new term is blooming in the horizons, so will new opportunities appear for different folks with different strokes in life. Thus, I am honored to receive the privilege to serve Division 22 Komohana as the Lieutenant Governor. My name is Christian Andres, and I am a Junior from Damien Memorial School on the island of Oahu, where I served as that Key Club's secretary for one term.

Despite the lack of in-person social interaction, we should not let this stop us from forging and maintaining bonds with our Kiwanis-Family. As it is in the name, we are all a family, and as a family, we support and help each other out throughout our highs and lows. I believe this is what makes this organization incredibly unique to others, and I will do my best to reach out and communicate because, without the support of my fellow Kiwanis-Family, it will be impossible to get through this term.

*Aloha Division 22!*

*I am so grateful for the opportunity to serve alongside you as the LTG of Division 22 Makai for the 2020-2021 term. This year was definitely a challenge for each of us but we accomplished so much, and it was because of the support of our Kiwanis and our passions for service. I am so excited for all that the next term holds as I am confident that we will continue to strive for and accomplish great things. It has been a pleasure serving as an LTG and I want to thank Mrs. Masuhara, Mr. Nick, Hollie Rader, Jennifer Cheung, the Region 18 team, Division 22 Makai, and our Kiwanis for everything that they've done. This term would not have been such a great experience without you all!*

**COVID VACCINE CALLS**

As seen above, participants to come after she is cleaning the chairs waiting for the area for waiting vaccination. Thanks to Taylor, Casey, Kelsey, Jon, Les, Liz, Tom, members, getting sore legs and back. So, the program chair had cut the day in half for the March 13 drive and so most of us volunteered to do this project. Our Kiwanis Club was mentioned as one of the volunteers in the Tribune Herald on March 14 newspaper.

**WE DID IT. MARCH 13 COVID VACCINE CALLS**

The Hilo Hospital Covid program called out to organizations to assist with the Mass production vaccine at the Kanakaole Tennis Stadium where they will be vaccinating more teachers and workers that is needed covid support in our community. So, Jo, Les, Taylor, Tom, Kelsey, Francine, Taylor, Liz, and Audrey, showed up and did various chores for the program. As you can see we did a lot of chores and now the Kiwanis Club of East Hawaii is on the front line doing what needs to be done for tis pandemic emergency. The project covered 4,000+ covid shots Thanks to the many volunteers who showed up and did their part in the program.

I'm always looking for the next story that highlight what you do, what we all do. Your compassionate work is is the best advertisement that any club in our district could ask for. Even if its picture and a short caption, send it. A picture is worth a thousand words, and the albums of our combine experiences shares more than any one of us could do alone

And you are not alone. We are not alone. We support each other and we build each other up. The division look to see your strengths, for you to showcase your skills, to help guide your home clubs and shape our divisions. I look forward to see what unfolds due to our collective efforts
