AGAIN **COVID HITS HILO**

April 3, 2021

Most members were happy to do this volunteer work, and again they did it for the 3rd Saturday Thanks to the members who generously gave their time to do this project. Our Kiwanis Club was mentioned as one of the volunteers in the Tribune Herald on March 14 newspaper.. Next Drive is April 24, please sign up

WE DID IT.. **COVID VACCINE CALLS**

The Hilo Hospital Covid program called out to organizations to assist with the Mass production vaccine at the Kanakaole Tennis Stadium where they will be vaccinating more teachers and workers that is needed covid support in our community. But this time... the community was invited to have their vaccination from ages 18 and above and welcoming the Kupunas and necessary workers to come to the stadium to get their vaccinations and so they did. So, we had our members show up to assist and do the chores. On this date, they gave over 5000 shots and will hold another drive on April 27, when these 5000 + to return to get their second shot..

RTC HELD **ON APRIL 3** **VIRTUAL**

Early morning on April 3, at 9 am , the division was ask to join in on the annual RTC with reports from all the officers involved with district. We also had the SLP Ltg to help with some virtual presentation that may be useful for the Kiwanis members to use during their virtual meetings or projects, it was nice to know that it will be possible for all the division to have some fun. Trustee Audrey gave a report on the incoming Trustee responsibilities and the application form. She reported that Greg Peros from the Maui Club is willing to be the next Trustee and so the nominations was open to the rest of division 22 members, but no one applied for the position, so the question was called and vote was taken, and the entire screen voted for Greg, so CONGRATULATIONS GOES OUT TO GREG, the next trustee after Audrey. The Joy called out for any Ltg to follow her time, and the Ltg need to be in place by April 20, but no member replied as of now.. so we would like to have a replacement from any other club to replace Joy and give her a break, for she did a terrific, awesome job. Then we had our Governor to report on the status of Kiwanis and its members, and he did report that he was very proud of Division 22 and even if he is not here in person at this time, he is planning to come to Hawaii soon. So hope all the clubs on each island can welcome him to their island.
