Eh, Weah You Wen Grad? Game

Attached is a game to match high schools with our Kiwanis 'ohana. Due May 1, 2021, the individual with the most correct matches of our 'ohana to the high school from where we graduated will get a prize. Email your game back to chrylshntn@gmail.com by May 1, 2021. Have fun!

Positive thoughts go to our regular visiting Kiwanian Hazel Kinzer who suffered a heart attack on Friday afternoon, April 2nd, and had a subsequent cardiac arrest.

Send your spirit of Aloha to Hazel, George, and their family as she gets stronger. Please don't call or email the Kinzers during this time.
